FORTUNE

FEATURES

28 **Chocolate's Bittersweet Economy**

The industry agreed to abolish child labor seven years ago, but little progress has been made.

BY CHRISTIAN PARENTI

THE ECONOMY

36 **Make the World Go Away**

Economic anxiety has inspired a bitter backlash against free trade. Could it lead to protectionism?

BY NINA EASTON

40 **Will the Cure Be Worse Than the Disease?**

Politicians and the Fed are responding, but they may be paving the way for a bigger calamity down the road.

BY SHAWN TULLY

44 **The Cost of War**

Former White House economist LAWRENCE B. LINDSEY writes for the first time about his controversial estimate of the Iraq war's pricetag. An exclusive book excerpt.
